# Tea & Scones (Updated Edition): The Ultimate Collection Of Recipes For Teatime

## Synopsis

UPDATED EDITION! Scones are almost as synonymous with afternoon tea as the beverage itself. From plain to sweet to savory, and even gluten-free, many delectable variations of the baked good appear in this collection of recipes from the editors of the award-winning TeaTime magazine. Twelve tearoom owners, from South Carolina to Hawaii, each contribute a new customer-favorite recipe and share the inspiring stories of how their businesses came to be. An expert tea-pairing guide, along with a tea-steeping primer, make it simple to choose and prepare the perfect pot of tea to accompany the scone recipes. The more than 100 recipes for scones and accompanying full color photographs in Tea & Scones provide delicious ideas for the next teatime.

Lorna Reeves was introduced to the pleasures of tea at the venerable Williamsburg Inn. She was immediately smitten, and it wasn't long before tea drinking became an essential part her daily routine. The editor of TeaTime magazine, winner of the 2014 World Tea Award for Best Tea Publication, Lorna is a leading authority on tea and a much-sought-after speaker for her knowledge of tea and the beauty of celebrating tea events. She lives in Hoover, Alabama.

This is a truly beautiful book filled with tasty treats and lovely pictures of tea set-ups with the scones and tea services. There are a variety of scones and toppings , both savory and sweet.

Recommended by Tea Time Magazine. Best scone book I've every found!

I was having a big tea party for my moms birthday and two of my guests are gluten free for health reasons. Every gluten free recipe I could find online called for strange things that I would have no use for in the future so I didn't really want to try them. I was happy to find this and get several gluten free scone recipes that were easy and came from a source that I knew would taste good. Since then I have tried several other recipes and have enjoyed them a lot too. If you like scones this is a good book. I'm going to check it some of the other tea time cook books

I love this book! All the recipes are great and delicious! The pictures give you great ideas how to serve the scones! This was a great buy!

Love the book. It is a gift for a niece that wants to open a coffee and tea shop.

I love scones and tea parties. I really like how the book is laid out, spotlighting different tea rooms around the country. Great photos, and interesting recipes, which I intend to try. It inspires me to bake!

This was a Bridal shower gift with antique tea cup & saucer! Perfect & the recipes looked fabulous. I included a Golden Book of "Alice in Wonderland" as well for a little whimsy.

Wonderful Tea Book, the recipes are great and easy to follow ! Great gluten free scones and food options !

It has lots of good scone recipes to try. Some for everyone's taste. Had one that I would not make again.
