HESI A2 Practice Tests: 350+ Test Prep Questions For The HESI A2 Exam

Synopsis

Our 350+ HESI A2 Practice Test Questions are just like the ones you will see on the real exam and organized so that you will improve your knowledge and test taking skills. Working through practice questions is the most important and one of the most effective methods possible for preparing for an exam. If you don't know what is it on the exam, how can you be ready for test day? These HESI practice test questions can be used by themselves or in addition to our study guide if you want extra practice. Either way, you get high quality questions just like on the exam to ensure you are prepared for the exam. We understand that not everyone needs or wants a comprehensive study guide, so if you feel you know the material and just want to hone your skills and get some practice, you will find no better HESI A2 practice test questions than these. If you already have our study guide, you can get even more practice with new questions in this book too!

Customer Reviews

This is a very short practice test book. It didn't really give me enough pointers to work with. Honestly, a ged book would be better at preparing you for the hesi test than this. I don't think it's worth it for the price.

I have not taken the HESI yet, but am preparing for it. The guide provides a wide variety of questions of the type we are likely to see on the test and provides answers explanations which helps and can identify distinct areas on knowledge we have yet to master. I really have no

complaints about the product; it is exactly what it claims to be and what I was expecting. It's always possible to include more questions. Perhaps a Volume 1 and a Volume 2.

I received my book on Thursday May 25th. I love the book, and it seems that it will be the kind of book that I need to prepare me for my Nursing school entrance exams. Thank You !!

I received this book in record time. So far it seems to be everything I was looking for! It's just the right size and covers all areas of this test. Very glad I supplemented my study guide with this test prep book. It also was priced below the others and is for 2017.

Bought this to study for the HESI A2 exam. Overall it does a good job, however there are some typos. Would recommend.

Love this book is very complete just what I was looking for Thanks

I haven't taken the test yet but I believe it's providing a good method for my review. The sample questions allow you to determine the areas you need to revisit.

I love it. it helps me review all topics that I have completed in the HESI A2 study guide.
