Customer Reviews

PopOut was founded in 1993. Today, PopOut produces over 100 titles for major destinations and is loved by travellers the world over.

Very handy map

What can I say, I love PopOut Maps. Everywhere I travel I make sure I have one for that city. Slips into purse nicely. Sturdy, long lasting. Have some for over 20 years.

I purchased this map because I wanted something that was more legible and detailed than what I could print at home. The pop-out idea is clever, but unfortunately it is so small that it is no more legible or detailed than an online map you can print on your home printer. I like the Streetwise map better, even though it is not as compact.

Just what I want and needed for travel

Vital information listed in clear format. Must have item for walking tours.

I love these fold out maps. i have one for any city I plan to be walking in that is available

It has a modern, compact, innovative design, but it lacks a map for the local commuter-rail-system.Coverage of the local subway-system is good.

Not a pop-out book
