Frommer's EasyGuide To Amsterdam, Brussels And Bruges (Easy Guides)

Synopsis

Arthur Frommer's Easy Guides are designed to respond to travel decisions, and large numbers of travelers decide to follow a visit to Amsterdam with excursions to Brussels and Bruges. Together, the three cities provide a fascinating insight into both contemporary and ancient Europe. The modern lifestyles of the Dutch are on display in an awesome seventeenth century setting, while Brussels and especially Bruges are windows into an even earlier time. Sasha Heseltine captures both aspects of three remarkable European attractions.

Customer Reviews

Sasha Heseltine has circled the globe, feeding orphaned wallabies on South Australia's Kangaroo Island, getting lost off-roading in the Sierra Nevada, diving with manta rays in the Maldives, and hot-air ballooning in eastern Poland. Back home in the UK, she reviews hotels and restaurants for local media, and writes about her travels for international print and on-line publications.

Great book - I love the detail, maps and suggestions of things to spend your time on. Also useful is the way it's organized!! Love Frommer's, you can't go wrong!

It seems like a lot of research went into this book. The history and neighborhood-by-neighborhood breakdowns give good perspective. I also like the opinions that are thrown in (such as whether or not something is a ripoff).

Very helpful guide that had all the info you'll need for a price that is right! I recommend this book!

It's small enough to take with me, yet very informative & thorough. Comes with a full size, detachable, folded map.

Frommer's never lets us down when it comes to restaurant recommendations.

Very helpful, as always - we have used Frommer's books a lot.

Great!
