Customer Reviews

I purchased this copy of the Holy Qu'ran in order to be better informed about Islam. It seems to be a fine reference to have in my library.

It is very good quality and the words are timeless....love this book.

Arrived in pristine condition. Beautiful, exceptional quality. The vendor: The Book Depository, advertised it as NEW and it met the description. It being a vendor outside of , I am impressed. Should any other reading of interest be offered by The Book Depository, it will be my vendor of choice. As for the contents of this sacred translation. It is truly personal to the reader.

As I don't read Arabic I assume the translation is as close as one could expect going from Arabic to English. The commentary is very helpful and I am finding the reading of and learning something about this middle east religion interesting and informative.

Excellent for understanding the Koran. recommended for people who wish to learn the English version of the suras. Unforgettable.

Wonderful translation and reference, allhamdulillah, especially for reverts who are looking to expand their understanding of the Quran.

The book comes with a cloth ribbon sewn into the binding to mark your place. The translator went to great lengths to make sure the reader understood what the original Arabic language actually said. The original Arabic is placed along side of the English translation. The pages are quite thin and could only be marked with a soft pencil, as a pen would probably tear them and show through on

the reverse side of the page.

Excellent translation and clarity, wonderful book materials and well constructed.
