Customer Reviews

Bought for friends for a gift. Friends say that there are so many recipes that not everyone will have time to try before the end of the year. This is written clearly and easily. I am tried a couple of dishes, it was delicious)

This is a really good cookbook. I have a pressure cooker but I'm still learning how to use it. This

book not only gave me great recipes, but it also taught me how to use my pressure cooker and why it works the way it does. It makes me want to try more!

Great recipes. Very easy to follow and well laid out.

Great cookbook

I've never had one of these cookers, but now I want one! I bought this book to see what I might be able to do and it looks brilliant. Can't wait!
