Pumpkin: The Raccoon Who Thought She Was A Dog

Synopsis

As a baby, Pumpkin the Raccoon was abandoned by her parents after falling out of a tree and breaking her leg. Taken in by a family with two rescue dogs, Toffee and Oreo, Pumpkin gained a new set of "parents" and a life of luxury in the Bahamas. *Pumpkin: The Raccoon Who Thought She Was a Dog* is a sweet, unique look at an adorable household pet, captured in gorgeous, never-before-seen photographs in luxurious settings. *Pumpkin*'s message is that friendship and love can be found in the most unlikely of companions. With a lot of personality, and a little bit of mischief, Pumpkin will capture hearts all around the world.

LAURA YOUNG is the proud owner of Pumpkin, Toffee and Oreo, and when she's not capturing their friendship with her own amazement, she's a children's book writer living and working in the Bahamas.

So, the description may have said 144 pages, but I didn't catch that. I was expecting a children's

book with few words and some pictures. This book is a masterpiece of love and family involving a raccoon and two dogs! I love all of the photos and captions. I initially bought one for my best friend who loves raccoons, and for myself; as I have come to love raccoons. I have since bought one for my mom and mother-n-law! Thank you to Laura Young for sharing Pumpkin with the world and putting together this amazing book!

Very sweet book. I follow Pumpkin on Instagram and look forward to her daily activities. It's very cute and the story is moving. If you love animals, you will enjoy this book. I plan to get this for my grandniece for Christmas. She's nine and I'm sure she will love it as much as I do.

I love what this family has done for Pumpkin, Toffee and Oreo by taking care of these wonderful animals and sharing them with us through their social media posts and this book, God bless them! Also, the book actually has a number of pictures and anecdotes I hadn't seen or heard before. An excellent purchase for a very worthy cause!

I pre-ordered the book and it arrived promptly on the release date. It is a beautiful book loaded with adorable photos! I am a fan of Pumpkin on social media and loved learning even more about Pumpkin and her family from this wonderful book.

I love this book! I follow Pumpkin and the crew on Facebook and Instagram, and actually bought this book for my granddaughter. But I may have to get another copy for me!

This is a book for all ages of animal lovers, a heart-warming story of human interaction with nature. The pictures are so well done that one can imagine the interaction between the dogs, the humans, and Pumpkin (the raccoon) in the household. The author is obviously an animal lover that understands the complexity of domesticating a wild animal. Would make a wonderful gift!

loved it I wished it had been a little longer. doesn't take long to read. Mostly pictures of the raccoon but not worth the money

I am a huge fan of Pumpkin the Raccoon! If you follow Pumpkin on Instagram then you'll love this book. Laura L. Young has done a wonderful job giving a voice to Pumpkin. The book also highlights

what a unique story Pumpkin has and reminds readers about the demands of keeping an exotic pet, it's not something that should be taken lightly! Pumpkin's story is one for young and old alike.
