The Dress Book II (Collette's Dresses) (Volume 2)

Synopsis

Do you love fashion? Then this series of fashion books is just for you! Pretty dress designs for the fashionista to color! Bring out the inner designer in you with these unique and beautiful dress designs by artist Collette Renee Fergus. You get to decide how they look, and choose what ever colors you desire. If youâ™re the type of colorist who likes to complete a project in one sitting then this is the book for you, most designs have been created to finish in an evening, some a little longer, so no more half finished designs that annoy you and nag you to get completed. Lose yourself in the designs and develop that peace and harmony that adult coloring books can give you. All dresses in this book are hand drawn, they include dresses from the 1800s through to 1920s, 1950s and modern fantasy themed with some Steampunk thrown in for good measure. There are 29 dress pages along with 6 accessories style pages (because all good dresses need accessories!) and some bonus pages that fit the theme from Colletteâ™s other books. Each intricate design is printed on one side of the pages only so you don't have to worry about your work of art bleeding through and ruining the artwork on the next page. There is a test page and a blotter page that you can remove and add between pages for extra protection while coloring also. Created with love by Collette Renee Fergus, a New Zealand Artist. Please check out my listing on my own website for a selection of coloured images from the book for your peek inside extra! COPY this LINK -

A passion for fashion especially dresses and anything 1950s is what led Collette to creating this book. She is also the author/artist of the Chardonnay Minx Coloring Books, a tongue in cheek party girl series. She began painting young, prevailed on family and neighborhood artists for lessons, and reveled in their skill and knowledge. At 11 she sold her first artwork, a watercolour of Mount Taranaki/Egmont. At 16 she took night school classes in oil painting and acrylics, her subject matter still mostly New Zealand scenery. She exhibited often and at 17 had her first solo exhibition in Auckland, New Zealand. Known for her modern, contemporary work, Collette has two distinct styles: her serious, abstract works and a fun, contemporary surrealist style. Her artworks sell worldwide, including in Britain, Germany, Russia, USA, Canada, Cook Islands, Spain and Australia, as well as from galleries throughout New Zealand. She has a popular website; dedicated to the growing interest in her art. www.collette.co.nz Collette finds painting extremely rewarding and puts her heart and soul into it, and is humbled by appreciation of her work. Colletteâ€™s latest venture into Coloring Books came from her time recovering from cancer where all she could do with her art was draw and like colouring-in is for others, drawing gave her the same solace and peace. Collette feels adult coloring books are not just a fad, she beleives they help serve many purposes that are beneficial in so many ways, not just relaxation or stress release. They can help you focus with therapeutic, calming and problem solving benefits and give you the state of mindfulness we all strive for but seldom achieve.

In all honesty I have bought close to 100 books from to color in while disabled and dont have high expectations any more and often throw them in the "gifts for Christmas" pileSO I WAS SO EXCITED WHEN I GOT THIS AND FLIPPED THROUGH AND LIKED MOST EVERY PAGE! What a beautiful book. I have received so many compliments in the groups I am in with this book. The freedom of color in such brilliant drawings that allow you to make it your own are so gratifying! I give this book ten stars and got both of them now!

This book is great! If you love coloring dresses and not people this is for you. The dresses are pretty and well drawn.

After ordering and coloring in dress book 1, I knew I had to have this one! Once again, Collette Fergus did not disappoint. One of the things I love about this book is that you don't have to stress over doing faces and skin color. You can color beautiful clothing and accessories with colors you would be likely to wear or would have worn in that era. Also, very reasonably priced. I hope there is a dress book 3 coming soon!

Love this coloring book! The dresses and other designs have lots of little spaces to fill and to be creative with color. Really fun, but warning, coloring in it is highly addictive!!

kept me busy for hours

Great book! Very enjoyable to color!

Really enjoying this one.

I just love the fun styles! Collette really understands fashion & draws some beautiful dresses! What fun to add the color & make them pop!
