The Tail Of Emily Windsnap: Book 1

Synopsis

Emily Windsnap lives on a boat, but her mother has always been oddly anxious to keep her out of the water. It is only when Emily has her first school swimming lesson that she discovers why: as soon as she gets into the water, she grows a tail! Soon Emily discovers a glorious underwater world of fishes, coral, shipwrecks and mermaids, and, best of all, she finds a best friend! With mermaid Shona Silkfin by her side, Emily uncovers a surprising family secret and embarks on a quest to reunite her mum and dad. This enchanting fantasy deals with universal themes of family, friendship, love and justice - all handled with the lightness of touch for which Liz Kessler is so well known.

Customer Reviews

I bought the entire set of the Emily Windsnap books for my 10 year old niece as a birthday gift. She loves mermaids and loved the books.

My grand daughter REALLY wanted this for Christmas, but I thought it would be too late to expect

getting it through . Surprise ! got the book this morning (7AM). The cover art work on the book is adorable. The sparkles on the mermaid would make any girl want to read this book. Lila (grandgirl) loves to swim... and she will love this story. She even has a blanket in the shape of a mermaid tail.

Okay I said it! This book is awesome! Not only is it captivating, but it is an adventure that is wild and crazy and amaseing! Surely to please girls of all ages!

I bought this as a birthday present for my 9 year old granddaughter. She absolutely loved it and wants the rest of the series.

my daughter would live in the water if given the choice... she loves this story and begged for the whole set. just ordered the rest of the set today!

This book is a magical tale that takes you into a new world. The only problem with it is that once you pick it up you can't put it back down. It is a funny and heart warming all at the same time I would recommend this book to any one who loves reading fantasy books. I would rate this book 9/10

I love the Emily Windsnap series. I bought for my granddaughter to read aloud on our cross country road trip this summer, and ended up finishing on my own! She's only 7 but a good reader. Content and vocabulary was geared more towards 4th or 5th grade, but she loved them. Who doesn't love a good mermaid adventure?

Holy cow! That book was amazing. I absolutely love it and totally want to buy the rest of the series!
