Provided me with very helpful information for my 14 month old. Used it for a few recipes so far, and she's loving the food. I wanted something to give me ideas for finger foods, and this did just that plus more.

Great ideas and easy to make. Rice pudding was delicious. Can't wait to dive in and make more.

Excellent "go to" cook book in every way! Besides all of the quick and yummy kid friendly recipes, I really appreciate the guide to picking produce as well as the helpful insights. A fun "must have" for any mommy!
