Customer Reviews

I bought the book because I was curious to learn more about witchcraft and how it can affect people in real life. I am not a superstitious person, but it's good to know what happens in the spiritual world. Plus this book can bring a lot of knowledge to readers as to what to watch for in the real world, how to attract luck, or again, how to live a better life. I enjoyed reading this book and I strongly recommend it...

Really interesting read, first i got hooked by the cover, and then purchase it, i start reading and couldn't stop, well detailed, easy to read and understand, this book definitely had value to my life, the author as a really nice way to explain things , i highly recommend this book to anyone,

This book was very interesting to read. I believe that there are a spiritual world that you want to Destroy to be free in you life. If you read this book you will find excellent tips to disconnect yourself from evil covenants.
