The Red Sea Rules: 10 God-Given Strategies For Difficult Times

Synopsis

Just as Moses and the Israelites found themselves caught between "the devil and the deep Red Sea," so are we sometimes overwhelmed by life's problems. *The Red Sea Rules* reveals that even in the midst of seemingly impossible situations God promises to make a way for us. His loving guidance will protect us through danger, illness, marital strife, financial problems, or whatever challenges Satan places in our path. Using the Israelites' story in Exodus 14 as an example, Robert Morgan offers ten sound strategies for moving from fear to faith. Life is hard, especially for Christians. It is certain that we will face difficulties, and that God will allow them, as He allowed the Israelites to become trapped between Pharaoh's rushing armies and the uncrossable Red Sea. But just as certain is the fact that the same God who led us in will lead us out. As *The Red Sea Rules* makes comfortingly clear, He is in control.

Don't be fooled by the name. This is not a book on rules to live by. It is about grace and how to trust in God when things aren't going your way, as in when the Israelites were between the Red Sea and

Pharaoh's army, and "rules" to help you get through those times. It's a great easy read and highly practical.

Even though intended for believers, this book could help those who are in trouble to see that God loves them and they can trust Him with their lives forever. Many are familiar with the story, but may not know how it applies to them personally. These rules help me and the Lord will use them for good as I practice them and share them.

I learned more about the Israelites at the Red Sea than I ever thought of or considered. The layout of each chapter was well done and the examples were relevant. I have ordered 2 copies to give as presents.

Very good and very very practical. An easy read.... "The ONE who leads you in will lead you out."

This book "The Red Sea Rules" is an excellent book as we go through life, especially the rough, tough ones we all have off and on in our lives. Good bible based advice and encouragement! I loved it, and keep going back to it. Thank you "Robert J. Morgan", and God!

Have purchased multiple copies and have distributed it to others who are hurting.

One of the best and most practical books I've ever read! Very inspiring and easy to read.

Fantastic guidance and Biblical teaching for those going through tough circumstances in life. Super empowering!
