Freakin AWESOME!! An awesome conclusion ... or is it?? I think maybe there will be more of Cth'ka? Maybe a war between Cth'ka and (SPOILERS)??? This is some great story telling. My kid loved it too. ;)

Ok, I'll write this review...I haven't actually finished it yet but I rate it four stars anyways.Why four?I wasn't all that emerged into the book. Good plot, but it didn't pull me in.

Wow this is Amazing. I think you should try and continue the series that would be THE BEST THING IN THE WORLD!!!!!! Also if you are stuck waiting for the next book to come out you should try some other minecraft books like:1. Steve the noob2. Ender king3.Calvin crowther4.Cube kidAlso can you add me into one of your books (most likely diary of skeleton steve season 2 if you do i would like to be a ghastran (huge fan :P)

supernatural creepers like the Nether star creeper a creeper more powerful than a charged one, or the slim red eued creeper thatc looks like a normal creeper but with deep red eyes amf when killed or ignitednd lost i multiplies io two then four.Also i think our little creeper friend should get a mate.And lastly to hope my name gets in this creepers name is related to it his name is C'leb

Great book! loved it. Can you do a book series with steve the noob? I think alot of people would buy that. You two are some REALLY good minecraft story writers, so together, you would be even better! If you can't, it's OK, but I realy want you to.

This book was quite amazing for how short the book was. I like this book because it is the fourth book. Please continue the series!

My son and I really love this series. The stories have really good characters and we truly enjoyed reading the books together. I highly recommend this to anyone how has a son or daughter who loves Minecraft.
