The New Strong's Complete Dictionary Of Bible Words

Synopsis

The famous Strong's Hebrew and Greek dictionaries are now offered in a separate volume. This unabridged, fully corrected, updated version includes a completely new and exclusive English word index showing which Greek and Hebrew words are translated into specific English words, how often each translation occurs, and brief definitions. It is set in enlarged, easy-to-read type.

Customer Reviews

James Strong, LL.D., S.T.D, former professor of exegetical theology at Drew Theological Seminary, spent more than thirty-five years preparing his landmark concordance. First published in 1890 Strong's remains the most widely used concordance and dictionary of Bible words from the King James Version of the Bible.

Great for library

I love this dictionary !!!!!!! It's extremely user-friendly!!!!!!

This book is great it gives a description/definition for every main word you will find in the bible. Unlike others, I actually loved the fact they used the divine name, Jehovah, especially since in the original manuscripts and Dead Sea Scrolls the Tetragrammaton was found almost 7K times. Also, this book has very useful illustrations, maps, and charts to help you visualize many bible accounts. I would recommend The New Strong's Complete Dictionary of Bible's Words to any student of God's

Word!

good dictionary for bible studying

VERY HELPFUL

great deal came clean and in great shape

The strong's dictionary allows me to study my bible more affectively. I now have full understanding of scriptures because if i need to know the meaning of a word to understand the text, the dictionary provides that for me.

I have used Strong's in searching the Word of God in the past and was always satisfied with them. I wanted to go a bit deeper and this updated book gave me what I needed and I am very happy with it. My Study Bible is a NASB which I find to be easy to read in todays language and to talk with others with. I still use a KJV to compare with I guess mainly because I grew up with it and the one I use was given to me from my Mother who has passed on to be with Our Lord. KJV has a beauty with its words that I will never get away from, but in going over the Bible today with those who may not know KJV can be hard to understand. With all that said (above) "The New Strong's" works with all of them and once you understand its lay out it is easy and fun looking up words.
