The Collected Songs Of Cold Mountain (Mandarin Chinese And English Edition)

Synopsis

A Zen-Taoist poetry classic, in a handsome Chinese-English format. This definitive translation of Han Shan's poetry appears in a bilingual Chinese-English format. Included are extensive notes, a preface by renowned translator Red Pine, a findings list, and photographs of the cave and surrounding area where Han Shan (Cold Mountain) lived. Cold Mountain is one of the most revered poets in China. He was a Taoist/Buddhist hermit who begged for food at temples, often sang and drank with cowherds, and became an immortal figure in the history of Chinese literature and Zen. His poems were written twelve-hundred years ago on the rocks, trees, and temple walls of China's Tiantai Mountains. This revised edition also includes poems by Han Shan's colleagues, Pickup (Shih-te) and Big Stick (Feng-kan), translated here for the first time. As Red Pine begins his Preface, "If China's literary critics were put in charge of organizing a tea for their country's greatest poets of the past, Cold Mountain would not be on many invitation lists. Yet no other poet occupies the altars of China's temples and shines, where his statue often stands alongside immortals and bodhisattvas. He is equally revered in Korea and Japan. And when Jack Kerouac dedicated *The Dharma Bums* to him in 1958, Cold Mountain became the guardian angel of a generation of Westerners as well."

•Reviews of Red Pine's *Collected Songs of Cold Mountain*:
•The translator's preface describes his rendition of the life of Cold Mountain, offering an excellent historical and philosophical context for the simple yet profound poems attributed to the poet."
•Library Journal: "These are poems one must taste fully and drink whole... The poems of Han-shan read like a journal or memoir, and they often work as Zen koans, challenging the mind to go beyond the words and reason."
•Parabola: "Red Pine... has given us the first full collection of Han Shan's songs in an idiom that is clear, graceful, and neutral enough to last... His translations are accurate and mirror the music of the originals... The *Collected Songs of Cold Mountain* is a considerable performance and a truly valuable book. Thanks to Copper Canyon's high standards of bookmaking, it is beautiful to hold and behold; thanks to Red Pine's care, it will survive as the definitive text of Han Shan in English for many years. It belongs on the shelf of everyone with an interest in poetry and... should be opened often."
•The Bloomsbury Review: "An exquisite publication that captures the Taoist practice of passionate attention, of being still inside and relaxed in the comforts and discomforts around you, going nowhere else... We discover this in the poet's vision and spirit, in the precision and balance of the translator's scholarship and heart, and in the elegant wilderness of the bookmaker's art around them. On every level this is a beautiful book."
•Judges' comments on awarding the WESTAF Award in Translation: "Cold Mountain's colloquial poetry... sound like inspired

rap—marvelously direct, with skips, jumps, verbal nudges and abrupt revelations... The volume is beautifully produced, with a long and careful introduction... This is an indispensable book.â—The Berkeley Monthly“More than anyone else, Red Pine has made [Han Shanâ™s] spontaneous poems accessible to Western readers... In this new, expanded edition, invaluable notes and an extensive new critical preface provide a contextual awareness, not just for the poems, but for their sources in Buddhist and Confucian culture.â—Inquiring MindRed Pine is one of the worldâ™s leading translators of Chinese literary and religious texts. His other translations include Lao-tzuâ™s Taoteching (isbn 9781556592904) and Poems of the Masters: Chinaâ™s Classic Anthology of Tâ™ang and Sung Dynasty Verse (isbn 9781556591952).

classic of Chinese zen poetry

These mostly short thoughts set life into perspective in a satisfying way. You will be reminded that although there is nothing new under the sun it is good to be alive and know it.

Elegant words from a master poet. Can't stop reading these.

Hanshan, Cold Mountain, is a great poet who's work remains interesting and inviting in any age. And, we all have to thank Red Pine for his wonderful work in translating and introducing the great

works of China to us.

Beautiful and provocative.

Oh yes, I love it. The history was better than I expected and he (Han Shan) has such succinct poems.

I like the bilingual format and the accuracy of the English translation. Ideal for students of Chinese as a second language.
