Los Angeles Kings; Hockeywood

Synopsis

In 1993, the LA Kings had a magical hockey season. Despite many "experts" writing them off in the beginning of the 92-93 season for a number of reasons, they went on to their first ever appearance in the Stanley Cup finals. The book is a great portrait of this franchise during an exciting time. It shows where they came from and how they got to where they did at that time. It's a great piece of history if you are an LA Kings fan. It is also good if you like some of the legends who were on the team then (mainly Wayne Gretzky & Luc Robitaille).
