Rough Stock, Part 6

Synopsis

Meet Morgan Reid, the fiery red headed reporter for the Daily Times and confirmed city girl, through and through. Sent to cover a nearby rodeo, Morgan intends to interview the Huntington Four champion bull riders and get out of there like her tail was on fire. Little did she know that nature would intervene and force her to spend the night. Little did she know the Huntington Four cowboys would all be deliciously attractive, each in their own way, making it impossible to choose her favorite. But little did she know, none of them actually expected her to choose. As with all my stories, this one is rated 18+ for adult situations, language and downright toe curling dirty bits. This is a reverse harem romance, where the ultimate fantasy comes true...not only do these hot hunks take care of their woman's sexual needs, they do dishes and laundry too! (Come on, it's fantasy.) This short book is part six in a serial romance. Follow my author page to get alerts when the next sexy story is ready to read.

Alexandria brings the HEAT in part 6 of Rough Stock. Six hunky cowboys and one sexy lady. Who does she choose? Or does she? Unbelievable passion reigns!!

This is a great book and it kept me engrossed throughout. I loved the characters and the way they interacted with each other. This is a hot must read book and I recommend it to anyone. I voluntarily reviewed an arc of this book

There is only one word that can be used to describe part 6! HOT! Oh my goodness. Alexandria put the heat of a volcano into this one. Somebody...send me a fan, lol!

Oooh finally she had sex with them and it was hot. I can't wait to see what will happen next with them and of course with Morgan and the horse taking off.
