This is a great product, albeit maybe a bit pricey... but I've enjoyed playing along w/ the CD (music minus one)... I even played the 2nd movement in our little Rural Church. I liked the slower version, but too slow if one already knows the music. I wish the "other" violin was a bit louder than the orchestra... so it would sound like two violins playing over a quieter accompaniment... but again, very nice.

I love the Music Minus One concept and as a violinist trying to regain former skills, I find it to be very enjoyable. I really like the fact that the piece is presented at the regular tempo, as well as at a 20% slower rate to give you a chance to be successful!
