Legend Of Minecraft Zombie Apocalypse: An Unofficial Minecraft Zombie Adventure (ft. Sky Vs. Zombies Book 7)

Synopsis

Part 7 of the Minecraft World War Z..IMPORTANT:This is 3rd Edition of the Original Minecraft Zombie Apocalypse, please look inside to see whether you have read it beforeAct 1Cameron lived in a beautiful town village of Kremolla. He was unable to stop the spread of the terrible virus that was incurable. Somehow immune, Cameron is now the last Minecraft survivor in what is left of Kremolla Town and perhaps the Minecraft world. Cameron is desperate to find any other players who might be out there. But he is not alone. Mutant victims of the plague -- The Infected -- lurk in the shadows... watching Cameron's every move... waiting for him to make a fatal mistake. Perhaps mankind's last, best hope, Cameron is driven by only one remaining mission: to find a way to reverse the effects of the virus with a special potion. But he knows he is outnumbered... and quickly running out of time.

Act 2The Minecraft Zombie WarsÃ¢ ¬Â|After almost 500 years later; a team of explorers discovers the origins of the Zombie pandemic in the Overworld, leading them on a journey to the darkest corners of the Minecraft universe. There, they must fight a terrifying battle that is threatening to destroy their very existence inside Minecraft.

In their quest to find Ã¢ ¬Â“Patient ZEROÃ¢ ¬Â•Ã¢ ¬Â|The Overworld is plagued by this mysterious virus infection turning ordinary Minecraft players into rampaging mindless zombies. After barely escaping the chaos, Steve is persuaded to go on a mission to investigate this weird occurrence inside Minecraft. What follows is a perilous trek through the 3 dimensions where Steve must brave horrific dangers and long odds to find answers before the Minecraft universe is overrun by zombies.

Customer Reviews

If you're into Minecraft things, this is cute. As someone else commented, it's not "real" Minecraft so if you're looking for something that is precisely accurate in all its details, this isn't it. But it's still a really cute book and I found it enjoyable without that exact degree of accuracy.

If minecraft is your thing this is a great book for you. I really liked this book because of the narrative and I thought the premise was very interesting. Two thumbs up, I highly recommend it to my fellow gamers.

Not an accurate sequel to the "real" minecraft but still a good read for those interested in this science fiction tale. I enjoyed it and so did the kids in the elementary class i read it to!

This book was worth the money. I read all Minecraft books I come across. This book is well-written. Anyone that is into Minecraft could enjoy this book. Highly recommended for kids or adults.

Awesome zombie book that is not your typical zombie book. I loved it and the fact that it was short. Great that it had minecraft theme as well..

this was a very good book and it was worth the money.I liked it alot.i recomend it to alot of people who like minecraft.

This book doesn't feature any real Minecraft things at all. Silver sword and armor?!?!? While this was a pretty good read, I wouldn't recommend this to people who were looking for Minecraft things. It's okay if you disagree with me.

this book is stupid because it rips off his other books and still isnt even sixty pages thats just lame and he should quit writing and get a reaal job
