Customer Reviews

Founded in 1947, Hal Leonard LLC has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

I bought his book so I could sing songs with my granddaughters, who happen to love all the Disney songs, especially Frozen. I may know most of the tunes, but need the lyrics. There is a nice selection of 23 popular songs. I'm just learning to play the ukulele after years of playing the guitar and I'm finding I need a lot of practice. The fingering is different on the ukulele. This book helps with easy to follow chord diagrams. Very happy with this purchase.

As an ukulele beginner trying move into intermediate this was so much fun and doable! Because I

love the songs it was so easy to follow through and practice with so much motivation. The chords are perfect and beautiful. Quite impressed with this!

Fun book

Not for beginners. Fairly nice selection of songs.

Given to daughter as a gift. She has enjoyed playing the songs and says that it is easy to read and play.

A good list of songs new and old. Easy to read and understand.

Plenty of disney songs with uke chords that are easy to play!

Great songs for kids to learn or adults to play for kids.
