New York State Birds: A Folding Pocket Guide To Familiar Species (A Pocket Naturalist Guide)

Synopsis

The Empire State is the permanent or migratory home of 480 species of birds, including the state bird – the eastern bluebird. This beautifully illustrated guide highlights over 140 familiar and unique species and includes an ecoregion map featuring prominent bird-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike. Made in the USA.

Customer Reviews

New York Birds, An Introduction to Familiar Species, is a must-have, reference guide for beginners and experts alike. Whether you're on a nature hike or in your own backyard, you'll want to take along a copy of this indispensable guide. The Pocket Naturalist(tm) series is an introduction to common plants and animals and natural phenomena. Each pocket-sized, folding guide highlights up to 150 species and most feature a map highlighting prominent sanctuaries and outstanding natural attractions. Each is laminated for durability. (3 1/2 X 8 1/4 folded, opens to 22 X 8 1/4, color illustrations, map)

Zoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the

sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, Kavanagh's path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution.

We enjoy using this for identifying the birds at the backyard feeder.

doesn't have illustrations for both male and female, breeding nonbreedingsome species do but most do not, even species with differencesit is helpful and I will compare it to other pocket bird guides I have orderedand change this rating accordingly

Great present for my 8 years old grand son

Very satisfied with this item, exactly as described.

Considering it is a pocket guide, they did a good job.

Use this all the time - very nice

I was not happy with this product. It is overpriced for a fold up pocket guide. I expected more for the money.
