The Wines Of Champagne, Burgundy, Eastern And Southern France

Synopsis

Continuing his comprehensive survey begun in *The Wines of Bordeaux and Western France*, John J. Baxevanis here focuses his attention on the viticulture regions that include some of the most illustrious names in the annals of wine: Champagne, Burgundy, and Beaujolais. Baxevanis covers land use patterns, grape varieties and their characteristics, the history and distinctive qualities of the vintages, wine classification, and a region-by-region examination of wine availability, cultivation, maturation, composition, landscape, and ambiance.
