“One reason why experiences such as dreams, visions, and prophecy are becoming so much more common now is because we will need them for accomplishing our purposes in these times.” -Rick Joyner

Rick Joyner is the founder and executive director of MorningStar Ministries and Heritage International Ministries. Rick is the president of The Oak Initiative, an interdenominational movement that mobilizes Christians to engage in the great issues of our time. He is the author of more than forty books, including The Final Quest Trilogy, There Were Two Trees in the Garden, The Path, and Army of the Dawn. Rick and his wife, Julie, have five children:

Anna, Aaryn, Amber, Ben, and Sam.

I love these books! They are about dreams and visions that the author had, so they are full of imagery and new perspectives on old concepts. This is a real eye opener as to what the Lord is doing to prepare His church. I recommend reading this and when something jumps off the page at you, take some action in your life and relationship with God!

One of the best books you will ever read. I think the book should be just packaged a bit better, it has a tiny dent on one edge of the hard edge because it wasn't packaged good. That's a bit a big issue, just a heads up. God bless.

This is the most intriguing book I have read of someone else experience of heaven. I was glued to each page as Rick captured his experiences and recorded them. His transparency, his victories, his convictions and his moments of joy was so well conveyed that you feel apart of his experiences. It was so well done, I bought these books for my prayer team that they too may experience heavenly encounters. At the end of this read, you will develop an insatiable appetite for the Lord and His encounters.

If you are a Christian and you are watching the world go to hell-in-a-handbasket, and you're wondering what is going on, then this book is for you. Rick Joyner's prophetic experiences here have given me the encouragement not to give up and not to stop living for Jesus, and it reminds me that the Lord can save by very few and change the course of history in a moment. Don't give up, believer, but stand firm!

Very needful book for insight in to the end times and what is has gone on in the church and what will happen.

This book is absolutely amazing!! It's as if you are there with him. The level of detail and explanations about his experience kept me and my kids on the edge of our seats! Must get!! Read with your kids or to someone else and you will be blessed.

I love these books. Have read and reread the first one. Have the third one now for the first time. It's awesome to have all three in one place! I love the imagery and symbolism. God speaks so clearly

and individually as you read these books. Love them!

This is a book I keep re-reading. The message is powerful and hugely impacting. Life changing.
