## Customer Reviews

Through this book, I was reintroduced to what The Holy Spirit had spoken to me a few years back about speaking with power. I was reminded about saying I AM before what came next concerning my life and life situations. Today, I will go back to the power of speaking positively concerning my life and the lives of those around me. Great book!

I purchased this hoping it would help me relate to a friend with horrible self-talk. The author expresses great enthusiasm about the importance of our mindset. Changing the way we talk to ourselves and others or about circumstances. An encouraging, power of positivity themed, sermon to start your day.

I highly recommend it for all followers of Jesus Christ? Written with a passion for the scriptures in simple form, short but to the point!

Very informative! . I try and read something like this each day. I study the Bible so books like this makes it much easier. I would recommend to anyone that loves our Almighty Lord. Thank you for having books like these to study by and totally enjoy!

Enlightening and powerful, clear and applicable!!! Is there a part II to this book? Would like to read more .

This book is incredible. Powerful and so very true. Definitely recommend this book to anyone who wants to change how they speak and in doing so change their life.

Quick read with good information. I used this as a supplement for a lesson I was teaching on the power of words.

I would recommend this book to all my friends. Easy to read and to understand. Short but to the point.
