Alexander Hamilton, Revolutionary

Synopsis

Complex, passionate, brilliant, flawed • Alexander Hamilton comes alive in this exciting biography. He was born out of wedlock on a small island in the West Indies and orphaned as a teenager. From those inauspicious circumstances, he rose to a position of power and influence in colonial America. Discover this founding father's incredible true story: his brilliant scholarship and military career; his groundbreaking and enduring policy, which shapes American government today; his salacious and scandalous personal life; his heartrending end. Richly informed by Hamilton's own writing, with archival artwork and new illustrations, this is an in-depth biography of an extraordinary man.
