Customer Reviews

Charles Dickens (1812-1870) was the most popular English novelist of the Victorian era, and he remains popular, responsible for some of English literature's most iconic characters. Lewis Carroll was the pen name of Charles Lutwidge Dodgson (1832-1898), English author, mathematician, and photographer. He studied mathematics at Oxford, obtained a university post, and then was ordained as a deacon but found true success with his masterpiece, Alice's Adventures in Wonderland. Hans Christian Andersen (1805-1875) was a Danish author and poet most noted for his children's stories and fairy tales. The conversion of many of his stories into Disney films has ensured his continued popularity. Jacob Grimm (1785-1863) and Wilhelm Grimm (1786-1859) (The Brothers Grimm) were German academics, philologists, cultural researchers, lexicographers and authors who together

specialized in collecting and publishing folklore during the 19th century. They were among the best-known storytellers of folk tales, and popularized stories such as Cinderella, The Frog Prince, The Goose-Girl, Hansel and Gretel, Rapunzel, Rumpelstiltskin, Sleeping Beauty, and Snow White.
