Customer Reviews

Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.

I think I've read some people complaining about this series, but based on this book I'm not sure why. It's a great size (small), it's super pretty (in a cool way), and seems like it's easy to use to get around; I have yet to find out. So, I'm not sure how great the recommendations are, and I don't know if it's as well-organized as it appears, but it's very nice to look at.

color coded, organized to feature a city by neighborhood. only has one overall map with not enough detail. Almost as good as Knopf pop up guides but not quite.

Looking forward to visiting. This will be my first time to Glasgow - I just purchased the guide and haven't gone yet, but it seems like it will be helpful.

I wrote a review for the Vancouver City Guide in this Wallpaper series - and the same applies to this

one.
