Teaching Music With Passion: Conducting, Rehearsing And Inspiring

Synopsis

(Meredith Music Resource). Teaching Music with Passion is a one-of-a-kind, collective masterpiece of thoughts, ideas and suggestions about the noble profession of music education. Both inspirational and instructional, it will surely change the way you teach (and think) about music. Filled with personal experiences, anecdotes and wonderful quotations, this book is an easy-to-read, essential treasure! "One of the most 'real' writings I have read during my 35 years in music education." Customer Reviews

As promised. Thank you.

The most inspirational book I have ever read. This very readable book does not teach you the mechanics of conducting, but how to lead effectively and with sound pedagogy to produce real musicians. It is very thought provoking and challenges some assumptions; littered with useful quotes to guide your thinking. Anyone who works with groups of people making music and wishing to learn should read it. Also check out Peter Boonshaft on Youtube - he is so wise.

Anything Dr. Boonshaft writes has value! Well worth reading over and over again.

If you are an instrumental music teacher, this book is a must-read! It will change your whole approach to teaching. It's full of lots of useful strategies for running rehearsals. I've used them, and they work!

Very good

Good read!

Thoroughly written.

Everything I ordered was safely packaged and the item I ordered was in perfect condition! I wish other companies would care this much about their customers; THANK YOU!
