A Fish Out Of Water (Beginner Books)

Synopsis

A classic, comic easy reader about getting a pet! In this beloved Beginner Book written by Mrs. Dr. Seuss (aka Helen Palmer), a young boy hilariously learns the consequences of not following instructions when he feeds too much to his goldfish—causing it to grow as big as a whale! With delightfully retro illustrations by P.D. Eastman (Go, Dog. Go!), the message of the book—that getting a pet is a big responsibility—is as true today as it was when the book was published in 1961. Perfect for beginning readers and read-alouds—and anyone getting a pet, especially a fish—it's ideal for birthdays, holidays, and happy occasions of all kinds! Launched in 1957 with *The Cat in the Hat* and written specifically for emergent readers, Beginner Books combine an exacting blend of simple words and fun pictures that encourage children to read all by themselves. "Comic pictures show how the fish rapidly outgrows its bowl, a vase, a cook pot, a bathtub."—The New York Times.

HELEN PALMER was a children's book author and editor who, along with her husband, Theodor Seuss Geisel (aka Dr. Seuss) founded Beginner Books, a division of Random House that specialized in books aimed at Beginning Readers, like The Cat in the Hat. P. D. EASTMAN, a self-described "writer-visualizer," wrote and illustrated many popular children's books, among them Are You My Mother? and Go, Dog. Go!

My son used to love this book as a small child. He loved when I gave him his original (very taped up lol) book and this new one for his 20 month old son. Hopefully it is the start of passing down a specific book through generations.

I loved this story as a kid and read it tonight to my little boys who were just as excited about it. This is the story of a little boy who buys a fish. Mr. Carp warns him to only feed his fish a pinch of food, but the fish seems so hungry that the boy feeds him the entire bottle of food. The fish starts growing and just won't stop. My favorite part of the book was when the little boy calls the police and the officer immediately comes over to help him.

Charming illustrations and humorous story. Not endlessly rereadable but still good. Great for making transition to slightly longer stories.

This was my favorite book as a child, and now it's my 3 children's favorite book! It is fantastic for all ages!

My six year old son understood the moral of the story easily and was easily engaged throughout the book. I bought this book to help with following rules and directions.

My 2.5 year old son absolutely loves it.

This is a cute book...arrived in good shape.

Excellent!
