Customer Reviews

Lovely stories about challenges forgiveness love and restoration even though they were pregnant they found good men who married them

This set of books were sweet. It's truly refreshing to read a book without foul language. I would recommend these to anyone.

I felt this was the WORST so called Amish Book I've ever read!!! There was certainly NO research completed on the Amish Culture, and in my opinion, is an insult to the Amish Community and

Culture.

Didn't hold my attention for long at a time.

good reading

This is a set of six books. Each book continues the book before. I fell in love with the characters and would love to continue the stories. Great stories.

I read all of the books in this collection individually as they came out & loved all of them.

I thoroughly enjoyed these series by Samantha Bayarr. Whirlwind of emotions with these characters. I hope to read more about these characters in a future series. Great job Samantha
