Customer Reviews

Hallmark artists, illustrators and designers explore Mark Making in this curated collection of expressive dashes, dots and blobs. Each month reveals a one-of-a kind creative expression from the hands and hearts of Hallmark's finest inspiration to last all year long.

Very flimsy. Also did have corner protectors to stop pages from curling. Returned product

paper is very thin but I still love it! Very cute design and I like that each month is a different design/colors.

The calendar itself works just as I needed it to. It's pretty and colorful! It definitely adds some spunk to my wall! There is plenty of room to keep track of what I need to keep track of and the paper

doesn't bleed highlighter marks or sharpie pen (not the permanent kind). The only complaint isn't about the product itself. The calendar came bent in half in a package WAY to small. I flattened it out as best as I could but it still doesn't hang flat. Next year I will probably spend more money to go buy one in person so I know it won't be bent. I do, however, recommend this calendar.
