3 books in this set (Student, Answer Key and Tests)

I remember using WW in middle school and thought these would be great to use with my homeschooled kiddo. We've used these for independent study time with our 8 year-old. He is able to read the instructions and answer the questions clearly. The stories are rather interesting and keep his attention. The answer booklet makes grading fast and easy. Highly recommend!

I bought for this set to prep my daughter for the future SSAT. She is a 3rd grader and going to take SSAT when she will be in 5th grade, so we are starting early. I looked around as much as I could (both apps and workbooks) this is the best. Simple and straight-forward. Very thorough but not overwhelming to my daughter. She hates Spectrum workbooks (writing, reading, language art, and math) but she likes Wordly Wise. I am going to buy set for Book 4 too.

I love Wordly Wise and use it in my homeschool curriculum!

We homeschool. Love the way its layed out

I am a little disappointed in the assessments, as they are multiple choice only.

Hood guide booksMy doughter likes it

Our school started using it. Love it.
