The 2017-2018 Cruising Guide To The Virgin Islands

Synopsis

Brand new for 2017-2018, with Virgin Island photography and full color detailed anchorage charts, these guides have been indispensable companions for sailors and visitors to these islands since 1982. Includes a free 17 x 27 inch color waterproof planning chart, with aerial photos of some of the anchorages. This guide covers the Virgin Islands including all the U.S. and British Virgin Islands: St. Croix, St. Thomas, St. John, Jost Van Dyke, Tortola, Virgin Gorda, Anegada and all the smaller islands in between. If you are sailing south to the Leewards we include a section on passages from the Virgins to the Leeward Islands. Our guide includes: -Anchoring and mooring information and fees -Customs, immigration and National Parks regulations -Particulars on marina facilities and the amenities they offer -Water sports - where to go and where to rent equipment -Shore-side facilities, restaurants, beach bars, shops, provisions, Internet connections -Directory of goods and services after every island section now including websites and Facebook URLs Everything you will need to help make your vacation an enjoyable and memorable experience in a concise easy-to-use format.

Customer Reviews

Cruising Guide Publications was created by Simon and Nancy Scott while living aboard their sailboat in the British Virgin Islands, and later, working in the bareboat charter industry for twenty years. There was a need for comprehensive guides to aid cruisers and charterers exploring the Caribbean island chain. These guides include not only navigational information, but also the rich history of the Caribbean islands, folklore, the flora and fauna, as well as where to go for diving, snorkeling and shore side entertainment and of course, what to do in an emergency. We have made it our mission to answer all the questions we had from charterers and cruisers and to add details

and background about the islands to enhance the cruising experience.

Just got back from the BVI's and re-read the book. It takes on a whole new perspective after you've visited the ports, harbours, places and characters described. Great photos of approaches, etc. Very helpful for both the boater or just a visitor to the BVI's.

I would never sail without the newest local version!!!!

I very interesting and complete guide to the Virgin Islands. I am glad we bought it before going since now we know more and are prepared for the trip.

I've used this guide on my previous trips to the BVI and will use it again in the future. Very informative, comprehensive.

Have the 2014- good updates

Great guide. Info on most if not all anchorage. Includes latitude and longitude, obstacles to watch for and other navigational info, services, restaurants.

Absolute joy of a book to read and quite informative. We are planning our first trip to the BVI and this book definitely makes planning fun! High quality materials used to make the book. This book is not just for the cruisers but would also be great for land based travelers too, as water taxis are quite accessible to the different islands. 5 Stars!

I only wish I had this guide years ago when chartering in the BVI's. The next time it will be with me and the first item I pack in my luggage.
