## Customer Reviews

Jonanna Widner was born in Fort Worth and raised on a steady diet of Tex-Mex, barbecue ribs, and the Dallas Cowboys. She spent her teenage years cruising down I-30 to Dallas, spending many late nights obsessing over local bands in Deep Ellum and, occasionally, on Greenville Avenue. Such obsession continued well into her college career at Austin College in Sherman, a mere hour north of Dallas; this time I-75 was the conduit into the city's rock 'n' roll epicenter. After graduating, she remained in Sherman, soaking up the North Texas sun as a sportswriter for the local paper. Like many a Texan, she was lured to Santa Fe, New Mexico, where she spent several years getting a master's degree and then working for the alt-weekly Santa Fe Reporter. But the Lone Star State still beckoned, and Jonanna returned to the Dallas-Fort Worth area, where she works as a freelance writer and editor, with her work appearing in many national publications. She continues to eat Tex-Mex and barbecue, curse Jerry Jones, and obsess over local music.

Excellent Dallas-Fort Worth area guide to attractions with good recommendations. By including addresses, we could enter the planned attractions into our Garmin GPS which will go with us in the rental car. The web site and phone references are very beneficial.

Enough good info to keep one busy for a long time!

Great Book.

Top Tens are much better but there is not one covering Dallas & Fort Worth

Disappointing. This book was very general. All information was things that could easily be pulled up on any top 10 internet search. Many places of interest did not include an address, price or hours. Would have also liked to have seen off-beat places, more historical background, and tips such as regarding best times and things to avoid (other than avoid the hot summer).
