The Intercessors Handbook: How To Pray With Boldness, Authority And Supernatural Power

Synopsis

How to Pray with Boldness, Authority, and Supernatural Power In a world full of desperate need, we turn expectantly to prayer, hoping to witness the realities promised in Scripture. Most of us, however, seldom see the results we hope for. Why don't our prayers make more of a difference? Beginning with her own experiences of breakthrough, Jennifer Eivaz offers much-needed direction and the biblical context for prayer that does make a difference--explaining the intervention of angels and demons, prophetic manifestations, and much more. She helps believers take hold of their authority and spiritual giftings and use them in the battle for victory. The Kingdom principles and study questions will help every believer navigate the spiritual realm of prayer by using the tools that make it truly effective.

Customer Reviews

As a senior pastor, I am always trying to find ways to teach biblical principles in humorous or exciting manners. Prayer is such a basic principle, however the mind of the believer has yet to truly

grasp intercession, the power that it produces, and the change it invokes. Jennifer Eivaz has realized this truth, and penned the "how-to's" and "why's" in such a challenging, yet relatable way. After reading it with my wife, we ordered 10 more for our ministry's core leadership, and also to use as a real-life based curriculum to teach intercession. My congregation here in Southern Oregon is thankful for Jennifer Eivaz and the Intercessor's Handbook.

I like this book and it is an easy read. It kept my attention which lead me to read it fairly quick. I like the examples given regarding situations that enabled me to relate to the point that was written. It is worth the purchase to add purpose, understanding, guidance and direction to your prayer life. I have already referred this book to others. Thank you, Jennifer, for your obedience. PTL

God bless. This was an amazing book. I thank God for it. It changed my view about prayer and has given mw more fervor for my prayer life. I recommend it to everybody who wants to learn about prayer and teach others as well. This was a fear blessing. The Real world accounts of her encounter with the Spirit realm are powerful as well.

I was captivated by this book, and put many of the teachings into practice immediately. I see an increase in my ability to discern because of a stronger commitment to pray.

Wonderful reading.
