Series introduction author Chuck D redefined rap music and hip-hop culture as leader and cofounder of legendary rap group Public Enemy. His music addressed weighty issues about race, rage, and inequality with a jolting combination of intelligence and eloquence rarely heard before. A musician, writer, radio host, television personality, college lecturer, and activist, Chuck D is also the creator of Rapstation.com, a multiformat online resource for the global hip-hop community.

it is recommend. for myself, I have owned many knives over the years, but this is the first real" bread product that I have ever owned. I really like the construction and design. It works exactly as advertised. I have used it on bread and tomatoes and it did the job perfectly well. I would recommend this product to anyone who needs a quality bread product." fast and in time, help me a lot.
