Worth The Wait (St. James Book 1)

Synopsis

Thirteen years ago, Vivi LeBrun was sketching a rooster and eating Oreos when she first met—â•and fell for—â•her friend—â•s brother, David St. James. Since then, her love for David has only intensified thanks to years of friendship with his family, who rescued her from a lonely, tumultuous childhood. As she travels to Block Island to vacation with the St. James siblings, Vivi daydreams about reuniting with David, hoping he—â•ll finally see her as his soul mate. After his mother—â•s death, David distanced himself from his siblings, determined to hide a devastating family secret. Now, he—â•s brought a new girlfriend along to his homecoming—â•one who—â•s pushing for a serious commitment. The last thing he needs on his growing list of problems is his budding attraction to Vivi. With tensions running high, David—â•s behavior triggers a series of events that might cost him the love he—â•s always taken for granted and Vivi the only real family she—â•s ever known.

Customer Reviews

The characters had depth and the storyline kept me engaged. Well written and it was easy to root

for Vivi and David. There were a few scenes that felt like it was the same argument in a different setting, but sometimes that's just how life can be I guess. Overall I would recommend this book and will be reading the other books in this series.

Good writing is always a pleasure and Jamie Beck writes enjoyable romances. There are lots of tears, arguments, self discoveries, misunderstandings but rooting for the adorable people in this book causes the reader to celebrate the results.

Enjoyed this story and look forward to reading more of this writer's work. The book is a story of commitments and of protecting family. The depth of their love for one another makes their secrets hard to live with. Good story.

Great storyline, but felt it moved very slow. Loved Vivi and liked David but felt that he really dragged his feet. Compared to other reads of hers, this one was so so.

Worth the wait was a great book. I really enjoyed this Great book. Loved the characters, the ups and downs and the love that was part of this wonderful story. I would recommend this book to anyone who loves to read a book that is hard to put down.

The author captures your imagination and runs with it happily to the end. The plot was superb and carried you to the end.

A must read. Through ups & downs, this couple is amazing. The ending gave me chills and made me want to cry. I look forward to the next installment.

I could not put it down. This was my first read by the author and I must say I am impressed. I can't wait to read the rest of the series!!
