Customer Reviews

My people all came from this lovely part of Greece. This book is wonderful because it shows the area as it was, with mythical resources to how it is now-complete with hotel, cafe, and travel information. This is a beautiful part of Greece where there is poverty, pride, gorgeous orchards, magnificent views- and very wonderful people. Luxury hotels take advantage of the beauty of this mystical place and gives the tourist a one stop shop to see a gorgeous part of Greece. The places you have heard about all your life--Argos, Sparta, etc.all are there to explore.
