DK Eyewitness Travel Guide: Provence & The Cote D'Azur

Synopsis

DK Eyewitness Travel Guide: Provence and the C te d'Azur is your in-depth guide to the very best of this region in France. Take in the most popular cities, Nice and Avignon; tour the dramatic scenery and exceptional art museums on the C te d'Azur; explore some of France's best-preserved Roman and medieval monuments along the banks of the River Rh ne; or zigzag among the many iconic villages of Provence. Discover DK Eyewitness Travel Guide: Provence and the C te d'Azur. Detailed itineraries and "don't-miss" destination highlights at a glance. Illustrated cutaway 3-D drawings of important sights. Guided walking tours, local drink and dining specialties to try, things to do, and places to eat, drink, and shop by area. Area maps marked with sights and restaurants. Insights into history and culture to help you understand the stories behind the sights. Hotel and restaurant listings highlight DK Choice special recommendations. With hundreds of full-color photographs, hand-drawn illustrations, and custom maps that illuminate every page, DK Eyewitness Travel Guide: Provence and the C te d'Azur truly shows you this region as no one else can. Series Overview: For more than two decades, DK Eyewitness Travel Guides have helped travelers experience the world through the history, art, architecture, and culture of their destinations. Expert travel writers and researchers provide independent editorial advice, recommendations, and reviews. With guidebooks to hundreds of places around the globe available in print and digital formats, DK Eyewitness Travel Guides show travelers how they can discover more. DK Eyewitness Travel Guides: the most maps, photographs, and illustrations of any guide.

"DK Eyewitness Travel Guides" the most maps, photography, and illustrations of any guide.

DKS EyewitNESS travel is my preferred travel guide since a 2004 purchase while planning a trip to England. Subsequently I purchased EyewitNESS travel guides for Italy, Rome, Paris and now Provence. First and foremost, the print quality is equivalent to brochure standard with clear color photographs, 3-D graphics and easy to read font style and size. The descriptions provide a color-coded overview of the area for easy selection of the areas of interest. The DK Choice recommendations are also very helpful and I selected Avignon and a farm house hotel in Avignon based on these recommendations. Finally, the history summary provides interesting background information of the various geographic locations and sites within a specific area. I recommend first-time potential purchasers compare DK to other travel guides and you will see for yourself some of the attributes of DK travel guides.

DK Eyewitness Travel Guide's are by far my favorite - and this one is no exception. Full of photographs, great tips and all the history and particularities that make Provence what it is. It's a superb addition for your travel suitcase. It will make sure you don't come home and then discover this great hidden place you could have seen while you were on vacation - but had no one to tell you about.

I always get the DK books for travel information. They are reliable and a nice size. This one is no

exception. Very pleased.

A first step and first tool to begin your destination research, even before you hit internet... The multitude of photos and maps plus the organization of each book make for a system that is very conducive to learning about your subject area quickly. Once you find the particular areas of your interest you can go to more detailed, in-depth research using other guide or history books or the internet.

Excelent book about turismo, culture, history and hints for a traveler to Provence.

We're finding it wonderful for planning our upcoming trip to Provence in a few months and have thoroughly read all the notes on history and the wonderful places we are going to visit, so yes, a great guide to use along with the Michelin map we purchased at the same time.

Lots of good information for a trip to France that I am taking in the fall.

Well-planned with good coverage of likely tourist spots.
