Eyewitness (Shadowrun, FAS7316)

Synopsis

They say the eye retains the image of the last thing it sees ... According to some, parts is parts. But when one of those parts contains a motive for murder, betrayal, and corporate espionage, can a shadowrun be far behind? Eye Witness takes a team of shadowrunners on a quest for justice across Seattle, into the boardroom of a corrupt corp, the darkest corners of the sprawl's slums, and the noxious depths of Seattle's underworld. Eye Witness is a Shadowrun adventure that can be used with both the original and second-edition rules.

Book Information

Paperback: 72 pages

Publisher: Fasa (May 1, 2002)
