Trout Of North America Wall Calendar 2017

Synopsis

With 470,000 copies sold, TROUT OF NORTH AMERICA is the calendar that appeals to the passion of the angler with a dozen distinctive illustrations by celebrated fish artist Joseph R. Tomelleri. The portraits are breathtakingly realistic, capturing each subject's finest details and subtleties—the silvery shimmer of the Pink Salmon, the intricate play of patterns and bold colors on the Arroyo la Sidra, the beautiful but elusive Brown Trout. Each month's image is accompanied by range maps, hatch charts, and authoritative text by George Scott that delves into habitat, life cycle, physical characteristics, and species populations. Packaged in a full-color gift box, it's a sophisticated gift for sportsmen.

Customer Reviews

Workman Publishing Company has been producing award-winning calendars, cookbooks, parenting guides, and children's titles, as well as gardening, humor, self-help, and business books, since 1968. From our What to Expect® pregnancy and parenting series and Page-A-Day® Calendars to the iconic 1,000 Places to See Before You Die® and Brain Quest® children's products, our wide range of high-quality non-fiction titles and products inspire, educate, and entertain readers around the globe.

While The Art Work Pictures are Nice, it says it is a "Trout" Calendar ! While Trout are Members of the Salmonidae Family, and Char may be a subspecies of that, I don't think Arctic Grayling, Atlantic, Pink, & Kokanee Salmon really belong on a "Trout" Calendar. Especially when there were Several

types of Rainbow Trout left off, including Steelhead Trout... I realize Lake Trout (included) Dolly Varden Trout (included) are Chars, since they are at least referred to as Trout I can understand them being there. Why then leave off the Beautiful Brook and Golden Trout? The Lahontan Cutthroat would have been nice to see as well... So Nice Art, but to Me the Selection was Questionable...

I've been buying these wonderful calendars for years and love them. Excellent artwork, as well as concise informative species descriptions and range maps. I've seriously considered buying a complete set of past years' calendars for the sole purpose of framing the illustrations.

What can I say, I'm a fly fisherman and I fish mostly for trout. This calendar is 12 months of trout and where they come from, 'bout all I could ask for in a trout calendar.

Beautiful pictation of various trout, both common and uncommon, from around the country. The quality of the calendar is such that I purchased one each year following my initial purchase several years ago.

My boyfriend is a BIG fly fisherman and this calendar is something I get him every year. The trout change but the pictures are always great. A nice little gift!

Great calendar at a great price! Purchased as a gift for my husband. He loved it!

Awesome Calendar! The pictures are really really good and content is great!

I really love this calendar! Has interesting facts about various trout and leaves enough room to jot down my appointments. Very beautifully drawn pictures as well
