CROSSOVER(Christian Adventure) (THE CHASER CHRONICLES Book 1)

Synopsis

5.0 out of 5 stars - well written with suspense,love, forgiveness, action - customer5.0 out of 5 stars -

Very Interesting and Different.- Lisa ***** CROSSOVER Jack Carter has a calling on his life, but it's not to your ordinary ministry. He's been called to be a Chaser. The problem for Jack, he has no clue what a Chaser is. But he'll soon find out, and heeding this calling would change everything he's known, drawing him into spiritual battles unlike anything he could've imagined. Will he accept the calling, and if he does, what will it cost

him?*****Get a FREE copy of the ebook "WHERE'S MY SON?" Detective Jason Strong #1 Visit this

Customer Reviews

New series featuring Runners and Chasers, those who 'run' from the light at their time of death and those asked by the Lord to chase them. Interesting concept, and presented very well. Jack Carter is a private eye who is accosted in his office one day by a strange visitor, then immediately followed by another enigmatic visitor, who teaches Jack about what he has become involved with. Jack is skeptical at first, but he follows his heart and soon is on fire to serve the Lord. The rest of the book chronicles Jack's education and apprenticeship as he works toward full Chaser status, then follows him on his first few cases. Some nice subplots going on simultaneously make this book a good, but quick read. Having read several of the author's Jason Strong series, I feel the writing in this book is much better and fluid, with more depth to the characters.

This is a Christian book, but not preachy at all. The warfare is so far beyond biblical possibilities that you have to simply decide to read it for fun. The characters are good and even likable. The "bad guys" are pitiful. The action is fun. It's an enjoyable read.

Enjoyed the book and though fiction, the book kept you wrapped up and wanting to keep reading to see what was happening next. Good example a book can be written without profanity and sex as the main theme. Thank you for this.

This engaging, fast-paced book reminds me of old TV first person detective mysteries. The Good:-Consistent use of first person.-An engaging story that's gripping till the end.-Sly humor-The beginning created mystery, which helps allure the reader in.-The budding romance between the detective and cop is well laid out.-Very creative story The Bad:-Nothing in this story takes away from John C Dalglish crafting a clever story. The Unsure: (My opinion: what I didn't like or do not prefer. This will not lower a rating unless it overly distracts from the story.)-Non-prescription drug use. Like

dang, as the story ends, the main character pops down pills till no end is in sight.-He loves his mother and visits her often. They call and talk a lot. I often disliked their conversations, and I think it distracted from the story.

This book was an action filled quick read. I thoroughly enjoyed the time spent reading it and the ideas that must be addressed in this book. It also left me with enough unanswered questions that I will definitely read the next book in this series.

Life after death fantasy, postulating the ability to skip out, at least for a time, on judgment. Some wish to stay for quite banal reasons, some out of sadness and some to seek vengeance or some just like the power of being able to cause harm. There are those called to bring these people in, some go meekly, but those of a vicious nature learn how to absorb strength and power and are not willing. They can cause much harm to people and even their chasers. Chasers are kind of like cops going after parole violators, some who are violent and some not It is an adventure tale with religious overtones but not particularly dogmatic. Was a fun read.

Defiantly a fantasy, but more believable than most. If too liked THE GHOST WHISPERER, you'll probably enjoy this. Good waiting skills and nicely edited.

This book was an excellent read. The story was totally out of the box and yet it was almost believable. Very well written with likable characters.I would definitely recommend this book
