Customer Reviews

These are the best! Great price for cute little jokes. I love folding them up and putting them in my kids lunches. My kids always come home saying that they read them outloud to their friends and they all had a good laugh.

When our little one started to read, we procured these as a motivational tool during lunches to "read" more. The truth is though, his friends probably had more chuckles then he did initially, as it's more fun to hear jokes then to read them outloud and try to process them; but it did get him to read/pick up a few new words here and there. I read the jokes as I pack them and the jokes are simple and do create some chuckles! They would be too simple for kids older than 8.

Great product. Purchased for my 7-year old and he enjoys them, and it allows me to let him know I'm thinking of him during his day.

My oldest son is now a 4th grader and the jokes aren't as funny to him anymore but he loved them from 1st-2nd grade. They are cute jokes regardless and it really let's them know you are thinking of them.

30% of the jokes are a stretch, but for the most part my kids enjoy them. Once folded the back is blank, which gives you the option to write a personal message. That I like.

My daughter loves them and loves to share them with her friends at lunchtime.

My 1st and now 2nd grader loves getting these jokes in his lunchbox! Super cute and big enough to add a little note. Great buy!

These are such a fun addition to anyone's lunchbox. The pages are big enough you can also write a little note to you child if you like. The quality of the book could be improved, as the cover came detached from the pages after tearing out the second joke page.
