Customer Reviews

The chicken chowder and the caprese salad go really well together. Both are simple to make and make an excellent lunch.

Beautiful looking pictures and excellent description on the common cuts of meat. Just an overall good cook book.

Those kebab chicken turned out exactly like the picture in the book. They were absolutely delicious!

The T.O.C could use some neatening up but other than that it's a great book

I agree with a lot of the reviewers here. This book was worth every penny.

A million thumbs up from me and my family.

Love the facts and info in the beginning.

Would have given 5* if they included nutritional info.
