Synopsis

Take the anxiety out of taking any nursing test with Saunders 2016-2017 Strategies for Test Success: Passing Nursing School and the NCLEX Exam, 4th Edition. Written by the most trusted expert in NCLEX prep, Linda Silvestri, and updated to reflect the most current NCLEX test plans, this invaluable guide covers key topics like time management, critical thinking, and problem solving, with tips to help you overcome test anxiety and develop effective study habits. Learn how to confidently evaluate and identify the correct answer for a variety of test question types, including alternate item formats, with chapters on preparing for nursing exams, prioritization methods, and pharmacology questions, and practice your skills and gain realistic test-taking experience with the book and Evolve site's 1,200 practice questions. A Reducing Test Anxiety chapter offers simple strategies to control test-induced stress and gain the confidence needed to pass exams. A Developing Study Skills chapter provides helpful tips on improving time management for more efficient exam preparation. An emphasis on comprehensive test preparation helps you develop, refine, and apply the reasoning skills you need to succeed throughout nursing school and on the NCLEX examination. Coverage of detailed critical thinking methods offers valuable clues to help you analyze and uncover the correct answer option for all question types, including multiple-choice and alternate item-format questions. Helpful Tips for the Beginning Nursing Student highlight the most important concepts needed for exam success. Chapters on specific question content such as prioritization, pharmacology, triage/disaster management, and delegation provide numerous examples to prepare you for higher-level questions. UNIQUE! Student-to-Student Hints highlight real life strategies that have helped other students graduate from nursing school and pass the NCLEX exam. Online practice questions let you apply the strategies learned from the text in a realistic electronic testing environment. A fun, 4-color design features cartoons and bold designs to help engage visual learners.

Customer Reviews

This seems to be a good book. If I flunk the NCLEX I will change review to BAD..... maybe.

It is not what I expected I didn't know it was an online book but that is fine

service is great. But this product by Saunders' is subpar than that their other products.

Perfect for a nursing student

Great book fast shipping

Great book!

just as describe

this is an excellent test taking strategy guide book and it is like formula where you can looking to eliminate from given option and chose the correct answer.
