Synopsis

Based on recent brain research on how we learn, Sara Jordan has produced "Lullabies Around the World" to boost linguistic intelligence in young children. Each of the lullabies is sung in its original language followed by translated verses in English. The vocal performances are by professional singers, each singing in his or her own native tongue. Languages included are: Russian, Spanish, Italian, Mandarin, Polish, German, (Lingala, spoken in Congo), Japanese, French and English. This award winning recording (Parent's Choice Silver Award and Director's Choice Award) will be enjoyed both by the young and the young at heart. A complete set of lyrics and multicultural activities is included. A complement of instrumental music tracks allows for singing along and performances. Enjoy!
