Our writing, our speaking, and our teaching must be relevant to the problems facing people today, and they must in some way help solve those problems.Â Daniel E. The book I understand is used, but it looks like it's about to fall apart and has coffee or some sort of stain that saturated the whole back of the book along with the back of the book falling apart and being taped together. I paid entirely too much for this book considering it's condition.

Rented it for college. Great

Great book. Used it for school, simple to use on the Kindle app.
