Gabriel's Demon [Wolves Of Desire 7] (Siren Publishing The Lynn Hagen ManLove Collection)

Synopsis

[Siren Publishing: The Lynn Hagen ManLove Collection: Erotic Alternative Paranormal Romance, M/M, demon, shape-shifter, werewolf, HEA] Life has grown stale for Roxy. He is tired of men trying to get into his pants by saying they were mates. So when Gabriel steps into his shop looking for information on Jericho James, Roxy is not impressed when the wolf shifter says they are mates. He quickly dismisses Gabriel's claim. But a gut feeling, an intuition, whatever the feeling might be, is enough to make him travel to the human realm to hunt down the wolf shifter. Gabriel has found his mate. If only Roxy believed him. As he tries to convince the demon they are truly mates, the two are thrown into one heart-pounding situation after another. Jericho has plans for Roxy, and will stop at nothing to get his hands on the demon. But Gabriel rescues Roxy too late. The damage has been done to not only Roxy, but the demon warriors as well.

This is another good addition to the series. I only have one complaint; there seemed to be some details about demons and the demon realm left out in the beginning. I'm assuming that if I have read

all of the BRAC village books and ALL of the spin offs I would have understood everything and maybe even known who Roxy was right away. However, I have not (that's a lot of books and a lot of money on a teacher's salary lol) and it took me a while to figure out what the heck was going on with all the back and forth from human to demon realm and how the demon realm is set up pretty much the same as the human one. Just a sentence here or there in the beginning would have explained enough and I never would have gotten confused. That being said, I really enjoyed this story and this series and will continue reading the books from this series. :)

This was excellent, with the plot revolving around Roxy and Gabriel. Roxy goes through some horribly life changing ordeals, but he has two brothers, plus Gabriel to help him out the best way they can. I feel as though Roxy and Gabriel didn't really have enough time to get to know each other, although, Gabriel was learning more and more about Roxy through all of the drama that occurred. I did love the story and thought that it was an enjoyable, and enthralling addition to the, "Wolves Of Desire," series.

Rating: 3.5 stars Good continuation of the Wolves of Desire series. Liked both Roxy and Gabriel as the main characters even though Roxy was a bit annoying at times. This installment tied up a few dangling plot points from the other books. We got to meet Roxy brother's Emrick and Kearn. Also it was good to visit the demon realm again and see Hondo again amongst others. All in all a good installment. I recommend it if you are a fan of the series.

I Loved it it was great I'm glad Roxy was ok and lived and I'm glad him and Gabriel are together I can't wait to see what happens next...Love Lynn Hagen s books I hope they never end ..
