Great book

Colorful, clearly written step by step book on both wudu and prayer. Touches on the Fiqh issues with delightful pictures and sometimes hilarious for the child with a sense of humor. Like the picture of a young girl who fell asleep while doing sajda and the child is informed his wudu is broken and need to redo it. The short suras at the end of the book are quite helpful. Jazakumullah Kheiran.

Nice drawing and simple language for the kids

The book was extremely helpful in remember the steps of Wudu for Salah. My six year old reads it often. I am satisfied with the content.
