Customer Reviews

I would be a lot happier if there were a lot more pictures. I bought some paper books after this to plan my trip.

Although somewhat short, it did provide an nice overview or the area we will be hiking through.

If your stay in Killarney will be one for several days...this book will give you the key points of interest to see while you are there. I enjoyed the read and was able to google search and map each place so we could follow along the path Andy Frazier leads you down in this book. Leaving for Ireland in December....SO EXCITED !!
